**Explanation of Responses:**

- On March 15, 2018, the reporting person received a grant of performance share units (PSUs) representing 3,291 shares of the issuer's common stock (at target). The PSUs cliff vest at the end of a three year performance cycle, generally subject to the reporting person's continued employment through the applicable vesting date, with the number of PSUs earned and issued determined based on achievement of performance objectives approved by the issuer's compensation committee for each year in the performance cycle. On February 11, 2019, the compensation committee determined that the objectives for the first tranche (2018) were achieved at a level resulting in 474 shares being earned by the reporting person. The shares issued will not vest until the end of the three year performance cycle on December 27, 2020.
- Includes 4,894 shares subject to vesting and forfeiture restrictions.
